

VETERANS' DAY

On the cover, the POW/MIA Recognition Day poster honors those still missing from our Nation's past wars and conflicts and those who made the ultimate sacrifice and whose remains have not been recovered and returned home. The poster depicts the Missing Man Table and there is special significance to each item that is displayed. Set for four, the missing personnel from the Army, Marine Corps, Navy, and Air Force are represented at the table. The round table shows everlasting concern. The table cloth is white symbolizing the purity of the servicemen's motives when answering the call to duty. A single red rose is displayed in a vase as a reminder of the life each of the missing and their loved ones and friends who keep the faith while seeking answers. The vase is tied with a red ribbon symbolizing the continued determination to account for them. A slice of lemon is a reminder of the bitter fate of those captured and missing in a foreign land. The salt symbolizes the tears shed by those missing families who long for answers to end years of uncertainty. The lighted candle reflects hope for their return to their families and our nation. The inverted glass symbolizes the servicemen's inability to share an evening toast. The chairs are empty as they are still out there somewhere missing.
