Dear David Maxi,

I see that you spelled your name with an "I", and others do it too; for the life of "ME" I have no idea why our Maxy is with a "Y".

David, I do not remember your face, but you are definitely a Maxi and a cousin. I know I came from the "Maxy's" and the "Chalumeaux", and the "Janvier". Yes I used to go to "La Menais" for my elementary, preparatory, and moyen and "superieure I and II".

David, my Creole is intact, my "French" a little "roué", I am brushing up on it.

David, nap boulé; oui, or "woui" ou sé moun lakay, oui moin songé nom ou, min mouin pa songé figure ou. Papa moin--Papa Boule rété nan Miami. mouin vlé écri ou nan address ou a. Ou Konin adress mouin, so nou ka palé bien plus, min internet la, li tout public, mouin vlé di ou kélké chose privée. Will you do it then David? Do get in touch when you can! I appreciate the time you took to reach out to me " Mon Cousin".

By the way you have seen my writing and some people think that I am "Beastly", in terms of lit, so I need a little more exposure so I can display some of the other stuff I know I can do.

Salut, et soi\$ prudent,
Childeric.

P.S. Man Cé died some years ago. How is Man Thurene? She was one of my favorite aunt, she always gave me something, Oh by the way I got my hair cut there too! CM cawz
