

Dear rosea,

Thank you so much for your true and accurate comments about Frank. I have been working to get Frank's story out there for years, against great opposition. Frank now lives 150 yards from my cell but I have not seen him in over a year! The administration keeps us seperated. They are truly bastards. I still fight tirelessly for Frank. I have his name out there with the movers and shakers: but we NEED HELP!
