RE: BLOG REPLY COMENTS

Greetings from Texas! Viva la France - the civilized step your country took sets a perfect example of civilization taking the appropriate steps in the advancement of culture.

I invite you to join my french non profit fund raising association. see my web pg at www.abolition.fr

indeed actions speak louder than words. See the french e book posted on my blog page. feel free to write with questions...as all who read my book have new interesting points of view. I appreciate all comentary.

my utmost thanks - abolitionist on the row!

In Solidarity, Chuck thompson #999306

RE: BLOG reply coments

My thanks for your support on my uneducated opinion of the mmpi. I'm so very limited to the psychobable I can read... prison library is outdated to. I've found some truths in the sociology books about the death penalty & its deep effects on our society.

hope to hear from you again :O) please feel free to join me in solidarty.
(have you read my book) Like to hear your opinions on it to.

In Struggle for abolition!
