Chanel,

I received your warm and deeply heart felt comments on the poem about your daughter, my grand daughter. My heart was so overwhelmed I must have shared it with everyone in here, so they could share my joy.

Did you know her birth day and mine is Oct. 22 ? 😊 How could I not feel a special connection to my Snuggles. In my darkest hours I am counted amongst the blessed with two (2) more special women in my life...

So, my baby is walking—I've got to get her a car... 😊 Please give her a bunch of hugs and kisses for her Pop-pop!!!

LOVE YALL
