

Dear Rita,

Seasons Greetings!!

Bruges? Wow, I'm gonna have to look that up on my atlas. I hope you had a great visit with your family.

I added your email to my list. You're need to go to [Corrlinks.com](http://Corrlinks.com) to approve me. Also, I think you can set it up so it emails you when I reply via Corrlinks.

That is so cool that you're able to travel so much. I hope you have a great time in the States.

Many hugs,

kelly
