

BLACK RAGE!

by Brotha Ac-Him 18.21

DESTROYER, THE ULTIMATE IMMOLATOR

I am the Alpha/Omega of all ~~killers~~ who have become the spiritual embodiment of millions of black victims from the womb to the tomb, past, present and future, whose hearts and souls cry out for "justice and retribution". In sheer unremitting anger and unbearable, insufferable outrage, stemming from centuries of murder, genocide, rape, brutalization and poisonous-pus festering psychological wounds of ghastly scars that ooze of hatred and utter-vile contempt - that will not heal.

I am deathless, invincible, undefeatable, an avenging warrior athirst seeking vengeance of total elimination or annihilation. An empowered spirit that has been tried, trueed, crystallized and resolved "By any means necessary". The product of hatred - I have become the epitomy of hate!

I am a hero, the champion of all black champion; an undying, unsonged legend. When violated you will observe the flaring of the nose and fire in the eyes. When my violence becomes uncontrollable, there is no escape, no mercy and I may miss my target.

My rage is a righteous sword, a volcanic-tsunami eruption, spewing forth untold years of ^{SONS OPPRESSION} repression, dehumanization and atrocities committed against ^{THE GLORIOUS BLACKMAN} blacks by ungodly, cowardly, insidious "racist whites". Power glutton architects of neo-nazi/fascism in ameriKKKa - who ~~wear~~ yellow neo stripes glowing down their backs.

^{AM} I have ~~become~~ the essence of the world's victims turned deadly predator, allied with death, ^{DEATHLESS} tireless unrelenting and inexorably committed in the service of the New Afrikan blackman's ultimate "Holy War" of ^{BLOOD} revenge, and the full ^{REPARATION AND} restoration of his rightful place in ^{THIS WORLD} the world. ^{OF ETERNAL STRUGGLE AND STRI}

I fear neither God,

Man or Death, I am: BLACK RAGE!

Eye to Eye

Black Hatred, and Anger
