

KINDRED SPIRITS

by BROTHA ACHIM 18-21

BRINGING BACK THE

HOT, DRY AND DUSTY

REMEMBRANCE

WE LIVE, BREATHE

OF THE REASON, THIS UNIQUE BREED

AND FEEL THE HEAT

OF KINDRED SPIRITS HAVE FALLEN

TOES FRYING ON THE SIDEWALK

SO DEEPLY IN LOVE

SWEATY AND TIRED

SWAMP COOLER, UN-COOL

WITH OUR HOMES IN

A/C ON THE BLINK

THE LAND OF THE SUN

ELECTRIC BILL - OUTRAGEOUS

CAR'S OVERHEATING AND HOT

WHY WE FEEL THIS

INESCAPABLE LOYALTY

WE THREATEN TO MOVE AWAY

TO THIS

TO SOME DISTANT NORTHERN STATE

OF SEASONAL CHANGES

PLACE WE CALL ---

AND THEN; THE STILL-COOLNESS

ARIZONA

OF NIGHT APPROACHES WITH THE

DESERT'S SERENE PEACEFULNESS;

OF MAJESTIC SUNSETS

SHADED SANCTUARIES OF

... PLACES TO COOL DOWN

THE NIGHT REVEALS WITH

ELEGANT-EXQUISITE CLARITY THE

BEAUTY OF THE CELESTIAL BODIES
