## To Black Man -A Poem For You!

The truth of the matter is  
There is nothing more beautiful  
Than a black man

Whether five-two or six-seven,  
Yellow fabulous or chocolate heaven  
There is nothing more beautiful  
Than a black man

Long and lean  
With deep brown eyes  
Wavyhairordreds  
With strong thick thighs  
There is nothing more beautiful  
Than a black man

Bald head with goatee  
Cornrowsorafade  
A little thick, a little thin  
Oh the choices to be made  
There is nothing more beautiful  
Than a black man

Scholarly or not  
Wall Street or hip hop  
I'll sing your praises  
To the mountain top  
Head of the home  
Provider and love  
Obedientsonand loving brother  
There's nothing more beautiful  
Than a black man

A mighty provider you've proven to be  
Sacrificing your life to keep me free  
Working for crumbs  
When the table is bare  
Praising the Lord  
Leading the family in prayer  
There is nothing more beautiful  
Than a black man

Holding my hand  
When fear emerges  
Remaining faithful, suppressing your urges  
Proving your strength
