

Dear Little Pilgrim,

11-27-13

Unfortunately they just send us a copy of a few paragraphs from the beginning of the post, so I'm not sure what the issue was that I was talking about. I've found that talking to the staff is a waste of time. These people aren't human.

Thanks, as always, for your support.

Hugs,

A stylized, cursive handwritten signature, possibly reading 'Dy' or 'Dy', written in blue ink.
