"Harry Belafonte, Jay-Z AND Inter-
generational Beef" by Gene Dem-
by July 30, 2013 6:00 PM

THE URGENCY OF THE MOMENT !!!

Mr. Demy is an excellent writer, but I
will respectfully wholeheartedly re-
fute his Sophism.

Mr. Belafonte was on a recent panel
with Mr. Hill Harper, actor and activ-
ist, among others; broadcast on C-
SPAN. [Mr. Hill New Book: Incarcerat-
ed Brothers Letters; 2013]

Mr. Harper employed the "intergenerat-
ional" thrust, ironically - apropos to
Mr. Jay-Z then too - ! However, Mr. Bel-
afonte, would have none of it!! And
asked audience member Julien Bond how
old was he when he answered "The Call"?

But this solitary TV Audience member's
mind pushed to the VISION of Black
marching children being water hosed
