'Let All Good Protect Miley Cyrus!!'

Hi Appletree :

THANKS FOR WRITING!

UPDATE:

I don't listen to music with explicit lyrics advocating unkind sex; non-Rx drugs or any form of violence!!!

My love goes to John Lennon; Joan Baez; Bob Marley; Nina Simone; Bob Dylan; Odette; Bruce "The Boss" Springsteen; Alica Keyes and Curtis Mayfield; to name just a few!!! Inspirational; aspirational and move (make a difference!!) TONE, which HEALS the UNIVERSE "NATION" "jangling discs"!!!

Ms Miley's "The Climb" is so remi-

Niscent of Mayfield's God's classic
of "KEEP ON PUSHIN", which both are
part of my DAILY meditations!

Her new "WRECKING BALL" is soul-
ful / painful also [SEEN ON AMA

Thank God - for New Superstars

But all and all - you and I both
agree Ms. Miley is "someone child too" -
Worthy of HUMAN DIGNITY AND RESPECT!!!
