

## " HOW THE GOP RIGS THE GAME

Through gerrymandering Voter Suppression and legislative tricks, the Republican Party has managed to hold ON to power while more and more AMERICANS reject their candidates and their ideas " BY TIM DICKINSON

UNIST...

Thank God the Majority Democrats  
Senate's excuted the Famous "The NU-  
CLEAR OPTION" last Thursday by partially  
changing the Senate "60 VOTES" to end  
a Filibusters Rule to a Simple Maj-  
ority only regarding Federal Judges  
(excepting the Supreme Court) and  
Administration Appointees.

Ole Sen. Harry Reid (D. Nev.) Majority Leader - is a former Boxer, you know. Great fighting Spirit - Champ, and all the Democrats! Hurrah!!! KUDOS!!!

Our good friends Shields and Brooks denying the current "Politikical" reality [Above Described by Mr. Dickinson p. 38] and also - by this blogger - be-  
MOANS future Senate Paincon!!  
Heck, the Republicans, long ago (2008), personified in their Minority Leader Mitch McConnell (R. Ky), declared their mission to destroy Prez Barack H. Obama's Presidency. Their de-  
clared war is fiercely fought [fighting on all fronts!!!] against our Commander in Chief - Obama!

Thank you gallant "Profile in Cour-  
age" gentlemen!!!!

Give em hell - Harry!!!
