

IN THE NEW GLOBAL WORLD ORDER
THE FUTURE IN NEW POLICING AND
CRIMINAL JUSTICE, CRIME SOLVING,
APPREHENSION, AND PROSECUTION. IS
PHOTOGRAPHING US ALL TODAY
SHERLOCK ... NOT NEEDED!!!

Just a few observations on the obvious
current social scene. For one - the re-
cent Boston massacre at the "Boston
Marathon" should be our seeing "eyes"
into the future of the New Global
World Order "CRIMINAL" science and
Justice system operations.

The New Crime Detector is and shall
predominately ever be - is surveil-
lance "CAMERAS" IN DRONES, SATELLITES
AND SUCH DEVICES.

Yes! simply put Surveillance "CAMERA"
in strategically located places in place
of cop on every corner.
It shall something like this Real Life

Scenario:

ONE white female and male and one separate and in different location white male were TAPED driving behind a FED X delivery truck and stealing apparent Christmas packages left in houses doorway. The female, 26, was told by friends that she was taped in the acts. So, she gave herself into the police. At the time of reporting the police was waiting for the two male perpetrators to turn themselves in. ABC.COM / GOOD MORNING AMERICA SATURDAY, DECEMBER 7, 2013; 7:00 A.M. ET.

These surveillance "CAMERA" will follow the Bank Robber [BANKS always had cameras in them] - but as he flee from the crime scene in a stolen car. CAMERAS track his every move.

Then like with "AMBER ALERTS", AND TV "most wanted" and "FBI MOST WANTED LIST"

Combition his Photo RED FLASHED ON MASSIVE SPECIAL POLICE BULLETIN BOARDS [LIKE THOSE OUTSIDE NBC TELEVISION BUILDING IN NEW YORK CITY].

There will be appropriate identifying data and reward and request to the perpetrator to turn himself in to police.

OF COURSE, IN NECESSARY CASES, THE POLICE WILL STILL GO OUT TO ARREST IN SO FEW CASES.

THIS WILL NOT BE "CRIME STOPPER", FOR FAR TOO MANY CRIMINALS ARE MENTALLY ILL AND LACK INTERNAL DISCIPLINE.

[REMEMBER THE CAMERAS ALREADY IN THE ROBBED BANK,] HOW EVER IT WILL [LIKE THE CANADIAN MOUNTEES] THEY WILL WITH DNA AND SURVEILLANCE GET - ALWAYS GET THE RIGHT MAN!!
