

"UNCLE SAM COULD ACTUALLY HELP BUSINESS OWNERS IN 2014. NO REALLY

Some Proposals may come to pass. Others will wait for that cold dry in hell

BY DANIEL MCGINN, /NC.COM; facebook

1 GEN/INC DECEMBER 2013 / JANUARY 2014, P. 50

Other businesses - Particularly in tech industries - care more about explaining the inflow of high-skill immigrants. These companies hope to see an expanded H-1B visa program, the creation of visa for immigrants who show proof of VC backing, and clearer path to citizenship for high-skilled workers who are here illegally. p. 51

support immigration
