

Christmastime in Newfor

2013/2014

Dear Ones, *Please Post.*

Hello, Thank You for taking the time to say hello. It has been a rough year. I am slowly disintegrating and oh yes, there was so much more I wanted to do, say that's the understatement of all time. How about, there is so much more about life, I love, and I will surely miss. But Wow, First of all, What happened to me, ???

I look back and see Criminality throughout my whole life, what was it that made me this way? A lack of education? I don't want to get into a 'Randy Pity Party' but I gotta say I see ignorance written all

2.  
over my life. Was it from hunger? I was so  
hungry. I was a scared messed up little kid.  
Anyway, Cancer is so final. With the  
possibility that I maybe eligible for SSI, I see  
for the first time I may be able to keep a  
roof over my head, it won't be for very long  
and I'm going to find a good Church in my  
Community, don't get me wrong I do love Buddhism,  
and I'm so grateful for meditation, but I love the  
Lord Jesus Christ, there's no way around it, no way  
over it, no way under it, you got to walk through  
the front door! Amen, Thank You Jesus Christ. I'm  
gonna walk right through the front door. Wee  
I'm applying for, Compassionate Release to a Catholic  
Hospice in Pacifica. Don't get me wrong, I  
want to be buried after cremation in a little  
spot in Pershing Indiana with my family.  
My Criminal life is over, to see poor Roseanna again to meet

all my nieces and nephews. To be a good role-model  
 a reformed idiot. Why not. I can be 100%  
 100 percent reformed, Please let me go home  
 Please let me. I could pay my restitution  
 that's what i will do, not buy  
 fancy consumer stuff - Pay my debts  
 to Society finally a roof over my  
 head and a slow ascent into self dignity  
 self-esteem, even if i live on Social  
 Security. I could give back what i  
 owe.

Have a Merry Christmas

and a good  
 Happy New Year  
 Love 2 you!
