

Our house in Pershing Indiana. From 1961 to 1968
or so, I lived in this red brick house that was actually
designed like a Monastery. I walked a few feet up
the street to go to elementary school, where I spent a
great deal of my time reading.

I miss you, Yealou!
I remember like
it was just
yesterday;

To all of those
to have
me and gone
Love you
till. Randy

If it hurt you, I'm
Sorry. I've spent
a great deal of my
life behind
bars. Forgiveness
that is up to you,
But I thank you
for being kind
to me and I'm truly
Sorry If I hurt you!

Merry Christmas
Happy New Year
