"GREETINGS"

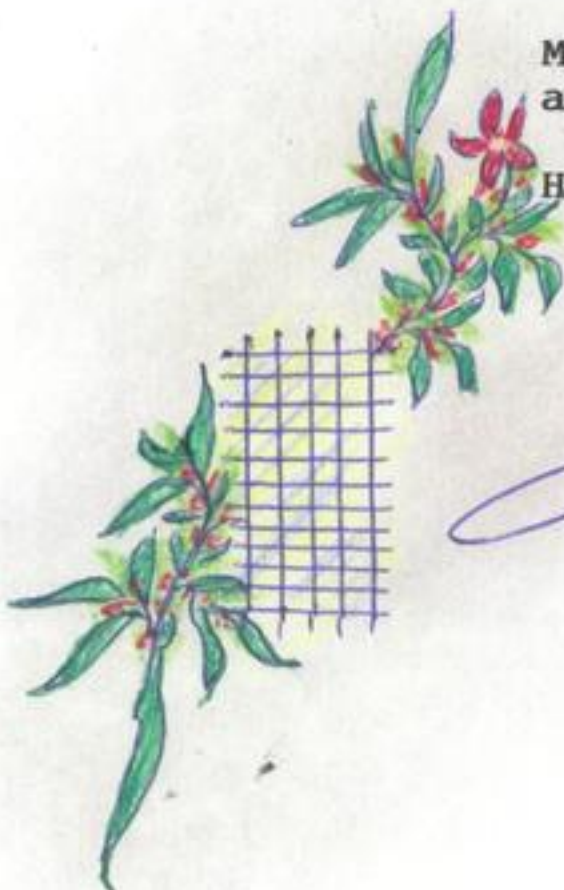

Even-though in prison all the days are equally in a sense of 24 hours a day. Birthdays, Holidays, and Anniversary's are all the same, but in the spirit of Christmas I take this opportunity to send a message to my loved one's, friends, and in particular to Charles DeTar, Benjamin Sugar, and students from M.I.T. for the great opportunity in allowing me to have a blog without any cost, some how God has touched your hearts in giving us free speech and communication with a silent world. --- It is also important to mention that my friends from Prison Society, For The Trough Barbed Wire has been a great help in exposing my POEMS to the public.

The Holidays in prison are a very difficult time period, but they also bring thoughts of special people:

My love, peace and joy be yours at Christmas
and all through the year 2014.

Have a Merry Christmas and a Happy New Year!!
