

HURRIED THIS MORNING
Hurried this morning
late start
You are all
my thoughts
from within my heart
Always you are
within me
as I go through
my days
In my darkest hours
you are always with me
smiling
filling my heart
with love
There is a full moon
out tonight
hanging low
over the hills
I fell as if
I can touch it
as it shines
into my heart
like your love....
