

Dear Edzell,

Thank you so much for transcribing my story "Why Did It Have To Come To This?" I am gratefully appreciative.

Can you get involved with our work on a deeper level? We could sure use someone to manage an email account for us as well as to assist with the construction of a website. Any role you feel you could play in assisting us with our efforts toward criminal justice reform would be awesome! I know you would find satisfaction in the work. Please contact us at;
