

Dear gypsyrose,

Thank you for reading the blog. Hope you enjoy what you read and I also hope you will keep on reading!

Can you please do me a couple of favors;

- 1) Can you get me any/all information you can find on The Exoneration Project. www.exonerationproject.org (312) 789-4955 (Chicago)
- 2) Can you print me out copies of the "full text" of the following two stories on my blog (I don't have personal copies) a) "There's The Rub" Chapter One and b) "Why Did It Have To Come To This?"

Thank you so much and I hope to hear from you very soon!!!

In Solidarity,

Tim Muise

THE PAST

The past is a tool,
to learn as we grow.
Behind it stays,
we must let go.

The future looms bright,
our star in the dark
Keep the path straight,
a walk in the park.

The past is a memory,
and really nothing more.
What we do with its echo,
will open that special door.
