Dear charlottelouise,

Thank you for your wonderful comments about my piece "Why did it have to come to this?" I'm so glad you enjoyed and got the "message" behind the story.

Can you get involved in the "movement" for prison reform in a deeper way? We are trying to expand the ranks of freeworld folks who want to join us in the push for commonsense criminal justice reform and we would be quite honored if you can join the team in any way. Please let us know what you feel you can. Please contact;

We could sure use an email account and someone to manage it as well as someone to assist us in building a website. Whatever you feel you could do to help the cause would be greatly appreciated.

Thank you for reading the blog and I hope to hear from you soon.

In Solidarity,
