## Greetings charlottelouise

my thanks for your encouragement & kind words. the system is so draconian! its even unfair at Christmas time... I shall continue to express myself in writing the blog YES ! :0)

I invite you to read my life story, case - escape/capture all detailed in my book; "The grass beneath his feet - the charles thompson story". Its posted in a flyer adversment on the btb blog pg. its avilable on amazon & barnes & noble.

I look forward to coments, feed back and insights to the blog As well as my book. All who read it have replied the feel as if they have known me a long time. Feel free to write w/your questions. all pose great questions & point out things to me after reading it. I enjoy the constructive feedback. Best wishes for a happy new year!

Best regards - chuck thompson
