Hello Uncle Otis,

How are you doing? I hope you are well.
I have not heard from you in a while. Me, I'm
still working and paying bill like the average
American.
What have you been doing lately. Have you finished
that ~~book~~ ~~you~~ ~~were~~ ~~writing~~, you should attempt to
have it published. I'm sure it will do well. (I have
been asking you about your book for years.) Also, I
will move, so you can write to my P.O. Box in
I find a place. (Just down sizing). Well, I love
you as always.

LOVE,
Cliff
