This is an unbelievable honor to have Jim Ridgeway turn over
2013 Media For A Just Society Award to me! I am humbled and feel
undeserving.

Jim has been a staunch supporter of our efforts here in the
to bring some commonsense and compassion to the criminal justice
Jim visited me here at the prison last year to discuss the aggrava-
population and I was honored to be able to convey to him the situ-
my dear friends who are dying here in this abusive prison hospital
I am proud to say I know Jim and our society is a better place
untiring work.

Jim and Jean at Solitary Watch are doing all within their power
to expose the barbaric tool of abuse that is solitary confinement.
when I was in solitary myself after exposing abuse at MCI Norfolk
knows the evil that the "guard culture" produces and also believes
men can redeem themselves. Jim made my stay in solitary less da-
his stories of hope on the Solitary Watch website. He is a valuable
today and I am truly humbled that he would turn his award over
