Dear Little Pilgrim:

Yes, I got your letter, thanks!

I did quit that job. It wasn't worth it. I was able to get my other job teaching the crochet class again and I do love that. It's only 2 days a week and it's great.

Yes, I'm sick of the Mexicans who caused me problems. I've just written them all off. I can be quite a bitch when I want to be.

We all have our down days, no matter where we are. Life in prison is very hard, but that doesn't mean it's not hard for others too.

Hugs!
