Fixing to shave and go from there.

First need to make the bunk.

6:52 am. Just cleaned the cell. Time to do some walking. Didn't get any mail last night. Terrible way to end the year.

7:40 am, starting my workout.

8:52 am. Finished working out. Wasn't great, but I got something done. Going to write a letter now to mom and then finish this drawing that I want to get in the mail.

2:06 PM. Been watching the game, listening to music as I walk.

3:59 PM. They just brought dinner, I made tuna sandwiches. That turkey is just nasty. Too much processing.

This has been a pretty good game. I'm looking forward to getting a shower and going to bed, should be first in showers tonight.

which means 6:45 shower 7pm bed.

5:39PM just finished washing clothes. Going to lay down and watch TV until showers.

7:26PM just got back from the shower. Going to sleep now.

Thursday January 2, 2014 4:28AM just got up. washed now having a cup of coffee while watching the news.

7:03AM sitting here waiting to see if they call rec. I just ate some cereal. It's raining out there and the office just told me they called 4:45 wing for rec. If they would have called us, I would have went out. Guess I'll listen to music and walk, and then I need to write and workout.

7:31AM They just called rec. got to get ready.

7:54AM Waiting for them to pull us, they may not see in the next 6-7 minutes.

about an hour. A van just pulled in hope it's not a warrant being signed.

5:29PM. That's exactly what it is, a warrant just got signed for someone on the north side. Don't know who yet. We will know the name if not tonight, then by tomorrow.

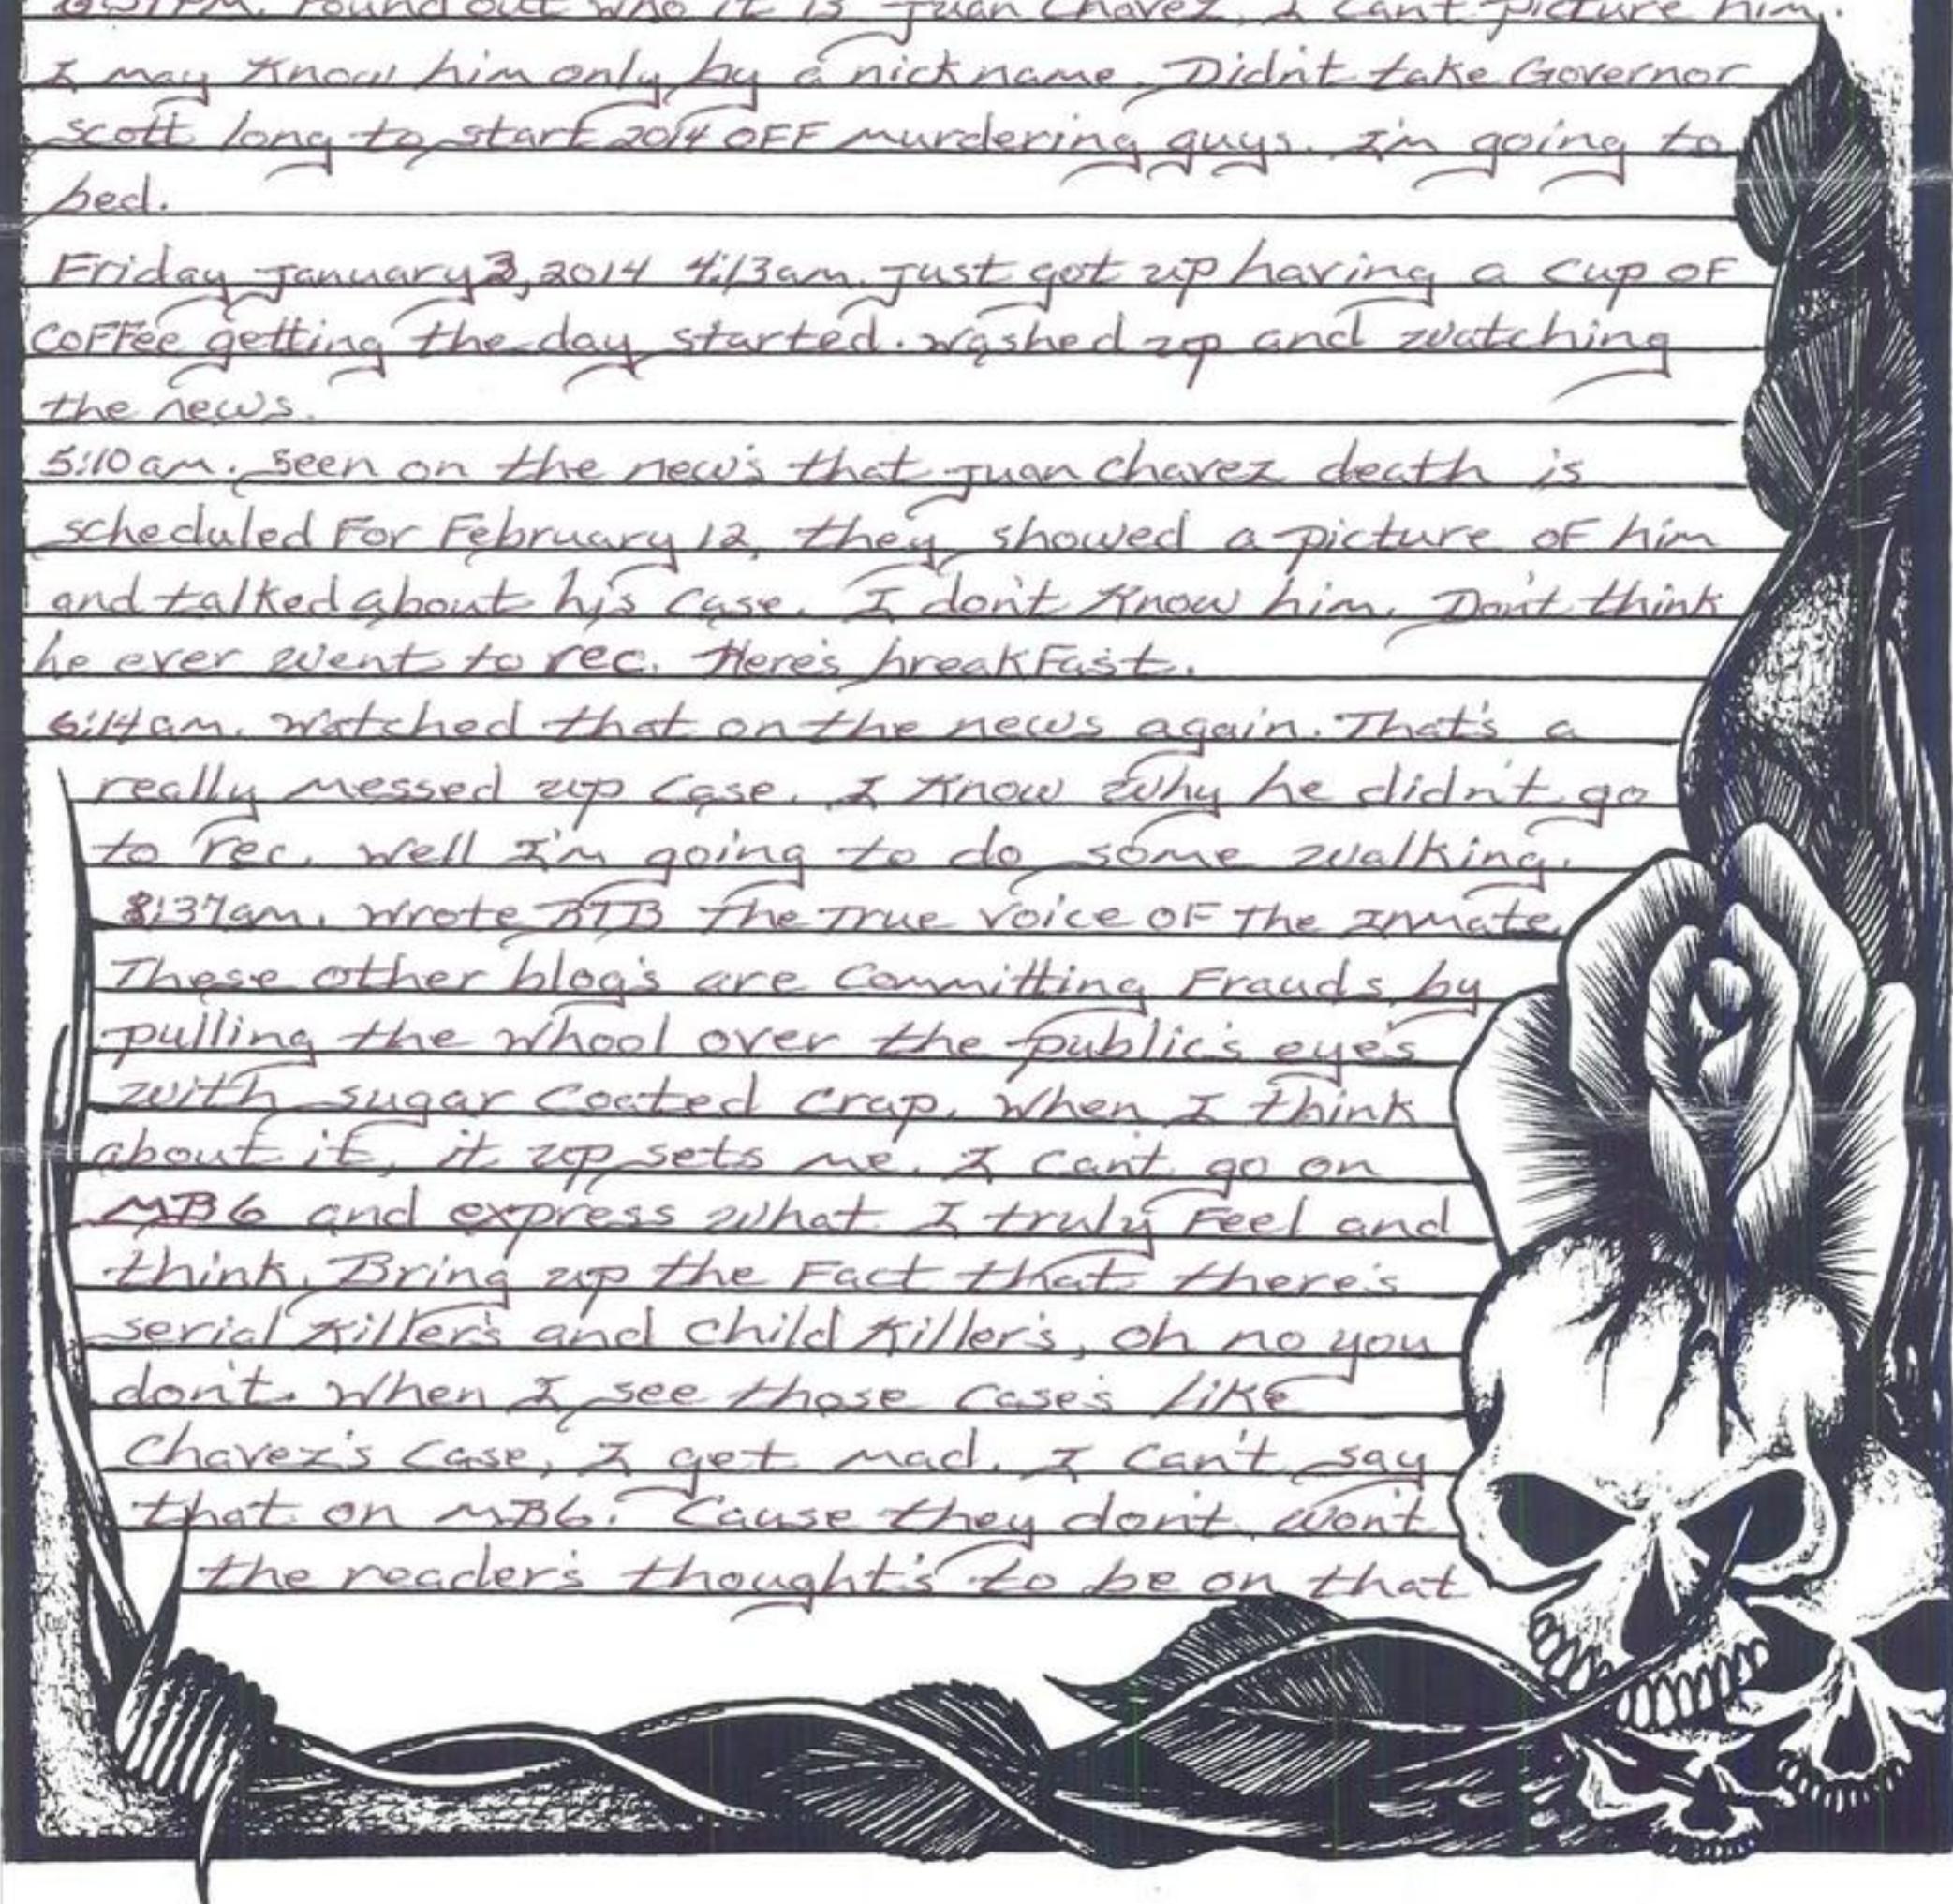

6:39PM. Found out who it is - juan chavez. I can't picture him. I may know him only by a nickname. Didn't take Governor Scott long to start 2014 OFF murdering guys. I'm going to bed.

Friday January 3, 2014 4:13am. Just got up having a cup of coffee getting the day started. washed up and watching the news.

5:10am. Seen on the news that juan chavez death is scheduled for February 12, they showed a picture of him and talked about his case. I don't know him. Don't think he ever went to rec. Here's breakfast.

6:14am. watched that on the news again. That's a really messed up case. I know why he didn't go to rec. Well I'm going to do some walking.

8:37am. wrote RTB the true voice of the inmate. These other blog's are committing Frauds by pulling the wool over the public's eye's with sugar coated crap. When I think about it, it up sets me. I can't go on MB6 and express what I truly feel and think. Bring up the fact that there's serial killer's and child killer's, oh no you don't. When I see those cases like Chavez's case, I get mad. I can't say that on MB6. Cause they don't want the reader's thoughts to be on that

9 year old little boy who was raped killed and chopped up. I want to be able to express what I feel. What I feel when I heard that case is anger, rage. yes Chavez is obviously mentally ill, a sane person isn't going to commit such a notorous act. Is the solution to kill Juan Chavez no, He would suffer a great deal more by giving him life in prison. Donald Smith over here in Jacksonville who killed that little girl last year doesn't want a life sentence. He wants to be behind these bars where other inmates can't get to him. Bottom line is them blogs are deceiving the public by manipulating the content, which is not the case here at BTB. I'm going to do some more walking.

10:15am. just finished a letter. Going to walk for awhile.
11:45am. ate a soup for lunch. watching a movie called Les Miserables, read the book in 2011 and it was really good, so I'm hoping the movie is good as well. It's 3 hours.

1:54PM. The movie was pretty good, a little different than the book, but, still good. Going to walk for awhile.
2:49PM. Been listening to music exercising. I really need to get back into it hard.

4:17PM. Just finished eating. Willie down the hall shared a story about dropping his false teeth in the toilet we all got a laugh out of that. We're lost in the showers tonight. I hope it's not another

10plus PM. shower. I also wrote a piece called civility for my blog. I may watch this movie everyone's

talking about. "Monster Ball" about Death Row guys are saying its never been on TV.

8:00pm. That movie was not very good. cell #17+18 are down in the shower, so I'm next, soon as I get back, I'm going to sleep

Saturday - January 4, 2014 4:38am. just got up. Washed up made my bunk and having a cup of coffee.

9:43am. Did a little workout, nothing spectacular. Started a letter. which I need to get back too.

10:18am. Finished cleaning my locker out. I needed to go into the bottom, seen dust and decide it was time for a cleaning. I need to get out of this cell for awhile. I hate being pinned up in this cage, some people handle it better than others. Some go crazy. and me... it just wears on me.

11:15am lunch is here. I'm going to run through my TV guide that's on the TV. and tell the guys what's on.

1:17pm. just finished a little cardio session. Now watching football 2013 Army All American Bowl.

6:50am. Just finished up a little workout. Going to wipe the floor down, wash these clothes, watch the news, bath and get ready for visit.

8:25am. Finishing bathing, sitting back watching GMA. until mom shows up.

2:34PM. Back from visit. had a nice one. Heard Thomas Knight's date is Tuesday so he has a little over 48 hours to live. Word is, there's going to be a bunch of cell moves this week. Not sure if that's just bad rumor or fact.

Going to lay back and watch some football.

5:30PM. Just ate a soup for dinner. Fixing to lay down and watch football until I go to sleep.
