Please Dont Jump into a Relationship
only a few months after that

Im NOT everyone else, Dont You
Get It! that's why I Got upset
when you Gave me a Bitch out
in an Itemized list of things You've
Done for me. You may not think But
that (*is*) a Guilt trip - seeing I
Dont ask you to Do anything - But
you are sure to Point out what You've Done
when times are hard...

Crys is trying to help, she just
wants you back home, where
everyone loves you... ..
