lady of the shadow

hello again love of my life! ☺  
oo and I'll have you know I haven't  
Gotten any letters from you since the  
Summer.. and I did get a late 3-day card  
that I said Thank You for.. any Returned  
mail is no fault of mine so please  
Dont try any assumption that I  
Returned it.. You know how I adore you  
so why would I send back the letters  
I've been begging for? If you write and  
I dont respond then I haven't gotten it,  
if you love me as you say, that would  
have you concerned enough to inquire  
with the prison why... Sister says  
similar but never contacts Frankfort  
or the prison about why I never get  
your letters. These web posts always  
get here, maybe a little late, but they  
get here..

Now - I call the phone #'s of  
the only two people left in my life,  
the only #'s I know - everyday at noon  
to see if they have any money on them.

I call every Day! It always says  
"This # is Restricted"....

I spoke to you last in September<sup>2013</sup>, crys.

Not once has it rung through since.

haven't spoken to sis since July 2013.

Yes my address is;

Daniel E. Baker 202796

D. 11. B30

3001 W. highway 146

LaGrange KY 40032

It actually hasn't changed. But adding  
the extra line will get mail to me  
sooner providing the mail room isn't holding  
the mail, which they tend to do now + then..

You have so much to tell me?

Now, CRYSTAL Baker; how the hell  
do you say you doubt I love you?

I go to extreme lengths to reach you,  
write and write when I have an address to  
reach you at - with NO Replies, I  
call + call until I'm out of \$ on the  
line - every thing I do, I do with you  
in mind. I want to fight; **To** not be  
pushed around, I don't want to go to school  
all the time, buy educational books all the  
time, but I made promises to you that

I will Not Break... I will make you  
happy again... Not to mention,  
You're here now Because You Stumbled on  
to this spot where I'd Decided to Tell my  
Story... You were Never supposed to see  
That, Never supposed to lay eyes upon  
those words posted here So the world would  
know - how I felt for You - how my  
Stupidity, Ruined our lives, and how  
I would make it all up somehow.

It was all about You! was Never  
for You... I Love You, crys.

You're in my every thought...

I work every Day to better my self in some way  
to make you happier provided I can earn one  
second chance.. I've loved You for 13+ Years..

at a point I was an Ignorant Dick - I know,  
I Didn't act like I loved You very much  
But my heart's Been 100% Yours the entire  
time. You know I'm Yours, Your SLAVE,  
the decisions are Yours, I Do what You say.

I look forward to Getting a  
letter & Photos from You

I'll Be Waiting ☺
