lady of the shadow... Really?? Yeah-...  
Dont You like my toons? every where,  
there's Always an "I Love You" for You  
from me, Georgous 😁...

as I said Before I havent Gotten any  
letters and I TRY to call every Day at noon  
hoping to hear the prompt for my access code  
instead of hearing "that # is Restricted"  
meaning either the phone owner has blocked  
calls from me or the phone account is out of  
money...

uh - P.S.

None of my cartoons make sense,  
they're Just funny to me, That's what  
matters, the laugh factor - sensibility  
comes Second to that 😊

P.S.S.

Crys, I Love You, very sexy lady..
