RE: REPLY TO 49f7 GRACE-OWL'S COMMENTS

Dear Grace-Owl:

I'm truly extremely delighted to hear that you have thoroughly digested the essence of my message and with more assistance in the matter of making absolutely sure the world is always visual, and never lose visual, of the modern day slave trade, voter disenfranchisement, and intelligently and intentional defunding of public education. The lower and lessor economically advantaged can overcome the political obstacles designed to keep us in bondage and the wheels of oppression and capitalism working well. Make absolutely sure that you maintain attention to channel /1607/ Grace Owl.
