RE: BLOG MATERIAL TO BE POSTED

Dear Concerned Reader:

I'm delighted to inform the entire world, that the great slave state of California, has been engaged in an exodus of slaves from plantations all over the state going free. However, the entire exodus of slaves consist merely of old and medically ill populated slaves, who have become rather extremely expensive to the political state shareholders of slave stock.

They have incoming new slaves, who are more healthy, alot younger, lessor intelligent and alot lessor aggressive towards correctional officer's and the corupt establishment as a hole. The modern day newer slave is extremely uneducated in historical facts and prefers falshood over reality, fiction rather than truth and wrong over right and tend to stray away from anykind of teaching of discipline behavioral restructuring.

However, the old slave have become financial pathogens to the slave trades economical growth, wherein the old relics such as my self total existence is the eradication of political kidnapping, slavery, human trafficking and illegal medical research conducted upon slaves against there free will and intelligent knowing consent. I went dark for a few months, but I didnot go to sleep, because I dont sleep, never have, and I never will, for the truth may rest, may lay dormant, but will always, and I mean always shine and illuminate the world with

truth that should be told, and the historical records held in accountability check.

February 11, 2014, Allan Tracy Gilmore's date with the oction block approximate time 09:00 a.m. San Diego County, Vista California Superior Court Dept. 31. before the Hon. Judge Timothy Casserly wherein I have petitioned the oction reappointment of freedom papers and the modification of a \$10.000 fine inposed for a petty theft conviction in 2003 of May 1st, wherein there was absolutely nothing taken.

My assets totalled close to \$70.000 dollars at that time, my slave trading lawyer beat me out of a chunk of that, then informed the oction that I was up for grabs wherein the oction ordered me sold to the state of California and placed upon a plantation for 25 years to life for petty theft.

sincerely
