me to move forward. Thank you for your Honesty
And Chatterage. I Don't consider my self a master
but who knows 300 years from now you and I will
be famous. 

I think These Add up? Hows it coming
on Your End?? Ok. Here goes.

College Kid-

OK AS I WAS SAYING, I'M SORRY ITS A
Hard Address, but Ms. Oliver IS A Award Winning
Poet, And I SAY that Because my Simpleton ways WERE
Really Helped by her Book. It Helped with sound And
Sense, The Line And Imagery.

There WAS another Book, but unless You Might
be Interested I'll SAVE that. really its hard just
to go and buy pencils. I have Eight or Nine
Pens, but with my Seizure disorder, Pens Are quite
Embarrassing. But Hey this Book deals with Writers
Block.

Well I will let you back to your Studies or
what ever, I'll Look forward to your Haiku and
Your honest opinion on my two - BECAUSE...?
