CALHOUN-25

WELL Hello to you! It indeed WAS A very moving Anniversary. Sorry the delay, I HAVE BEEN MOVED to Another unit AND MY MAIL SO FAR FROM DTB IS STILL BEING sent to my LAST unit. I'M sure now that School IS back in swing - THEY HAVE RELIEVED my change of Address.

You know one of the things that stinks About this move, or ANY move in prison, for me ANY way, I HAVE to write many letters IN ADVANCE Notifying the ones I writing on A regular Basis AND Put All the letters up AND wait. Since TEXAS Allows only us to purchase A Certain Amount OF Stamps Each time to the commissary - It ties up many Stamps for me. Oh well, Its better than NOT getting mail because people dont know you moved.

YES speaking in front of that many people WAS, I'll say frightful. Kind Like going to A house of Horrors on Halloween, on Oct 31st. All the through it your Scared AS Hell AND CAN'T WAIT to End, Then AS soon AS your done, you want to go BACK for more! At least thats it for me!!! WOW

Your very correct love and forgiveness, The Beauty of my program taught me how to do that with myself First, so I'd know how to with others. Thanks for writing and Happy New Year to you AND YOURS -

Enjoy the Poem 2014
