# "THIS CAGE"

page 1 of 1

This 9X7... 63 square foot cage... day in and day out. week in and week out month after month year after year, pushes human beings to the brink of insanity!!! "I know, for I live, experience, this hellified existance every single day." "I know what an animal in a zoo feels like," "People out there, they don't have a clue. The Legislatures... a bunch of rich zuppies, they can't imagine this sick twisted existance, in this 9X7... 63 square feet, of hell!" "Cause this is hell sitting and waiting to be killed. The anticipation, at the hands of your captors. Civility!!! where!!!" "No, this is an act of insanity, by an uncivilized nation that perpetrates a fraud of human rights! yes I know my anger is showing. But this is just down right inhumane!!" "And this cage for some reason, is wearing on me today, more than it normally does. I wish you could experience this. I wish everyone could, for then you would not take your freedom, and your life for granted. For existing in here, gives you a whole new perspective on life. What more is there to say? Help!!"

In Peace & Love
