

# LOSS OF LIFE

While The loss of life is THE REALITY OF ALL LIVING THINGS. Nevertheless, the passing of a life to most is still a saddening, sombering and tragic event to just about everyone. But imagine if you will watching the wanton, vile taking of your life by another; and that is exactly what occurs to a prisoner, condemned to death by long-termed incarceration. Dead, but yet alive to walk around in this caged cemetery of the living dead and then to be held in this concrete and steel tomb.

Each day, each fleeting second, helplessly watching the senseless murdering expenditure of the irreplaceable, your warm, precious life slipping and fading away. As we all know there are no do overs in life - living is a one time shot - and when its over, its over contrary to any religious ideology or beliefs.

It is no ordinary anguish of dying that would expectedly occur from an accident or incurable disease. While ~~can~~ most can rationalize their dying and understandable death; we do not envision being killed by murderers. Indeed your life is being systematically murdered, killed and tortured slowly day by day, year by year. A continuous daily hemorrhaging of your life's energies; it is beyond and above, an experience of experiences. It is an avoidable dying and preventable at any moment; if my murderers would simply stop killing me. But American prisons, modern day slavery is the for nothing richest empire the world has ever known

(over)

THERE IS NO ADVANTAGE OR PROFIT IN LIBERATING PRISONERS FROM SLAVERY. IT IS ONLY THROUGH THE PRISONERS' TORTUROUS DYING IN A DOG-CAGE CAN MY LOATHSOME CAPTORS RIP-OFF THE STUPID TAXPAYERS AND CONTINUOUSLY RECEIVING OBSCURE, EXORBITANT SALARIES FOR DOING NOTHING; ENSLAVING THE SO-CALLED DANGEROUS PRISONERS UNDER THE PRETEXT OF PROTECTING THE GULLIBLE SIMPLEMINDED TAXPAYERS,

THIS IS CAPITALISTIC-FASCISM AT ITS BEST

### STUPID AMERIKANS

AMERIKANS ARE SHEEP, THEY PAY PRISON GUARDS IN CALIFORNIA FORTY-DOLLARS AND HOUR PLUS OVERTIME - ALL IN THE NAME OF PROTECTING THE STUPID PUBLIC FROM INDIVIDUALS ALREADY LOCKED UP IN CAGES. GUARDS HAVE THE SHAMELESS GALL AND AUDACITY TO CLAIM THEY ARE HERE MAKING 6+ FIGURES A YEAR PROTECTING THE PUBLIC. SOME CALIFORNIA PRISON GUARDS MAKE 150-200 THOUSAND A YEAR SITTING ON THEIR ASS. MOST OF THE MALE GUARDS ARE 6-TO-10 MONTHS PREGNANT - THE GUARDS SIT ON THEIR LAZY ASS DOING NOTHING BUT GETTING FAT.
