

OTIS SPEAKS PROVERBS

1). DO NOT EXPEND YOUR ENERGIES RUNNING AWAY IN PANIC WHEN YOU HAVE NO IDEA AS TO WHERE TO RUN TO SAFETY. IN THIS PARTICULAR SITUATION THE ODDS FAVORS HE WHO STANDS AND FIGHT EVEN IN THE MOST PERILOUS OF SITUATIONS. EVEN IF THAT WHERES NO SO, IT IS MORE BEARABLE AND HONORABLE TO SUFFER DEFEAT STANDING THAN TO ENDURE DEFEAT RUNNING AWAY.

2). INFORMATION IS KNOWLEDGE, KNOWLEDGE IS EMPOWERMENT AND EMPOWERMENT IS THE FIRST STEP TOWARDS ENLIGHTENMENT, THE DROPPING OF FEAR AND IGNORANCE

3). THE PRESENT DAY ILLS OF HUMANITY ARE A RESULTS OF A LACK OF MATERNALISM, A LACK OF NURTURING, UNDERSTANDING AND LOVE, IN NEED OF A PASSIVE-AGGRESSIVE ENERGY. THE MALE ENERGY IS SIMPLY NOT TUNED TO THE CURING WAVELENGTH IN THIS INSTANCE. A PATERNAL-ENERGY CANNOT RESOLVE A CONFLICT IN NEED OF A MATERNAL-ENERGY. WHY THIS EXPLANATION IS NOT READILY UNDERSTOOD IS THAT WE HAVE BEEN DOMINATED BY THE MALE-ENERGY SINCE THE VERY BEGINNING...

THE DOMINANT MALE-ENERGY IS STILL SEEKING TO CURE THE MALADIES OF THE WORLD, A RELATIVELY SIMPLE PROBLEM WITH A AGGRESSIVE-COM- PLETED SOLUTION, LEADING MANKIND EVEN FURTHER AWAY FROM A RESOLUTION. PLAINLY PUT: THE WORLD'S PRESENT-DAY MALADIES ARE IN NEED OF A WOMEN'S SOLUTION

4). THE REALITY OF ABORTION AS REPUGNANT AS IT IS, IS SQUARELY UPON US AND AN UNDENIABLE TRUISM OF OUR CONTEMPORARY HUMANITY. THIS ISSUE NEED AND MUST BE DEALT WITH STRAIGHTFORWARDLY AND HONORABLY.

5). HISTORICALLY, IT IS THE AMERICAN WAY TO PREACH FAITHLESS AND MORALITY, WHILE COMMITTING ACTS OF WAR AND IMMORALITY AGAINST OTHERS AS IS EVIDENT OF OUR EXPLOITATIVE DEALINGS WITH EVERY GROUP OR NATION IN THE WORLD.

6). INDIVIDUALS FOUND OUT EARLY ON THAT IT IS EASIER TO LEAD THAN TO FOLLOW; EASIER TO CONQUER THE WORLD THAN TO CONQUER ONESELF. EACH PERSON REMAINS THEIR FINAL FRONTIER, THEIR ABIDING MYSTERY.

7). FALLING DEEPLY IS INDEED THE ULTIMATE ENLIGHTENMENT

- 8). The differences between one who is enlightened and one who is not, is that an enlightened person merely knows how not to search for truth and the unenlightened just the opposite.
- 9). The American people has sowed a rotten seed (of evil, greed and selfishness) and now reaping are deeds of rotten fruit, choosing to label and ostracize the fruits of our collective trees as criminals. Whereas, ~~the truth is~~ criminality is an innate and inherent way of life in America as wet is to water.
- 10). It isn't a question of finding or losing. If your purpose seems to have lost its meaning, then look not for lost meaning, rather reexamine your purpose.
- 11). Remember, purpose is in the seeking, the process and death is in the finding, the results. Therefore, purpose is life and meaning is ultimately the death of purpose.
- 12) Life's meaning is in its un-knowing-ness and not its knowing. It is this un-knowing-ness (ignorance) that is bliss and not its opposite. It is in this continued returning to a state of un-knowing-ness that you are again able to find purpose in what gives life its meaning. Moreover,
- 13). Just to live is both life's purpose (means) and means (ends). True meaning in life must be uncovered within self. Look outwardly for purpose and inwardly for meaning.
- 14). In every situation it is the near that contains the answer to the far. Likewise it is the near that will engender within you the strength and wherewithal to travel far. Your foundation is near and without a foundation what can you build upon?
- 15). In refusing to do what's right you have already committed to doing what is wrong.
- 16). Let the dead teach the dead and let us begin anew.
