

seasoning the soup

stars dotted in the sky

a kaliedoscope of children in a clssroom

a garden of roses in full bloom

beautiful women in a conference

a crowd of colors on fall leaves

many pages of poetry to read

a mother cleaning her home

a diamond shedding it's coal

chicken frying in a skillet

July sun drying washed clothes

a diamond cut in exquisity

a curveous model walking the runway---

Wm. Irving 2005
