Dear Julia

I hope this note finds you well and Joyfull. I recieved and read your comment to my "Warzone to Warehouse." I do not have direct computer access. I must use a 3<sup>rd</sup> party to post my writings and mail to me any response or comments. Please know that, it may take some time for me to recieve a comment; However, I reply and respond to any comment immediately.

I am honored that you enjoyed the reading. I consider myself a writer, because I like writing. I don't consider myself skilled, I just write what I think or feel. For my life to be viewed on the other side of the planet, to me is awesome. I hope to visit Europe some day.

Know that I am very appreciative of your kind words and your understanding. I am grateful that you would take time and share your thoughts and feelings with me. Your act of humanity is recognized and accepted.

Julia thank you again for your encouragement and thoughts. Feel free to write me anytime and ask anything. Meanwhile, as I struggle to obtain my freedom (that is soon to come), I wish you the best and hope your days are lived fully.

Be good, Be kind to others and yourself.

With love  
Michael
