

"True Blackness"

2-17-14

True Blackness comes from within.

but, sometimes mankind sin.

True Blackness is a strong man,
with a brilliant plan.

True Blackness is "MEN" like Nat Turner, Frederick
Douglass, Malcolm X Little and Dr. Martin Luther King.

He brought all he could bring,

True Blackness will gain a man's heart,
and we will NEVER be a part.

True Blackness is real,

know in time you will heal.

True Blackness is everyday.

I "can" and "must" say.

True Blackness "I" call it LOVE,
that comes only from above.

"True Blackness!"
