

Searching for a family

My name is Teddy Joe Drake #1599339 Texas
Dept. of Corrections inmate housed at the Daniel 938 FM 1673
unit in Snyder TX. 79549 and I do not have anyone
to turn to I've spent 5 years in this prison struggling
with depression and yearning to find family members
No one knows I am in prison and behind these
bars I have no resources to search no internet access
to try and find what family I have left over the
years I've lost my mother Shirla Kay Drake and my
Grandmother Vernie Bairley both from Dallas TX. and my
closest loved ones when they were taken from us
I had 3 brothers and 1 sister separated all at ages
5, 11, 12, and 25! I'm 30 years old now and they are 18, 24, 25, 30
My sister Shirlana Tam Sue Drake I haven't seen in 13
years and the last I heard she was either in Laredo TX
or San Antonio TX. I miss her dearly and it's sad
I can barely remember her birthday or even guess but I would

Say around May 1974. My Brother Damer RENEAU 25 was
last heard to have BEEN in Oklahoma the last I seen
him was 13 years ago. I have 2 other Brothers
Dusty/Dustin RENEAU and Devin the youngest Both
assumed to live in Kaufman TX or The Colony Tx.
Dustin was a NEW YEARS baby or Devin was.

If Any of you that Read this have Any
Idea of or Time to Help, I would Be so
Very Grateful for any help in my Search at reuniting
us. I can Not Begin to Express the Void I feel I feel
like a part of me is missing and a yearning DESIRE
to find out anything I can about them there Safety
whether they are alive or not I put in gods hands
But I could NEVER put them from my mind.

So I reach out to those of you in my Search
for with out you I can NEVER BE Reunited. Just
the thought of knowing something
could put my heart at ease.

Sincerely
Jelly
