Valeria,

I know you found out I got into some trouble and I am sorry. I know you're waiting for the book transcript and this stalled it a little longer. But I will send it as soon as I can. I'll call you too.

Now, the real reason why I am writing you is to thank you for your comments. You know they mean a lot to me. I love you. I hope you like these other ones. Tell the family & everyone else I will respond to them also as soon as I'm out the hole and get all my property back. That'll be soon.

Love you & Take care,

Chuy
