With friends in back of a 57 Chevy
Babys partying tonight
Shes got beer on her breath
Clanking of bottles busting on the floor
And Red lights in the mirror

She gets on the phone - cries daddy
Daddy Im in the big house tonight

With tears on his face
He jumps in his boots
And dashes through the door
Daddys Pissed tonight
Hes got beer on his breath
and clanking of bottles busting on the floor
His little girl is in the big house tonight

(Sing at a fast pace)
