

"In Remembrance" March 9th 2014

I am giving my personal "Tribute" in regards to Christopher Notorious B.I.G. Wallace. It was said on my radio this morning 3-7-14, On a "Morning Radio show" called "The Breakfast Club" from 6:00 AM to 10:00 AM on station 93.3 The Beat; "In Florida". He was born in Brooklyn New York, but he's American/Jamaican. I've never met him in person but his music "Rap" inspired me and it was in my era of time. I have pictures of him I tore out of a April 2012 XXL Magazine. It's a publication for All the past and present Rappers, in The Entertainment Industry. He had style and he was Clean "all the time" in every publication I saw and did read. Ex-Wife Faith Evans. He's been gone seventeen years coming this Sunday 3-9-14 but, his spirit lives on, today. He was murdered coming ^{from} a nightclub with other guys on March 9th 1997. I did read this in a book I had once back in "March 2011"; Called "Notorious Cop". Also "Tupac Shakur" and "Jam Master Jay" was murdered too around this same time book. But mind you! The New York Police (NYPD) never revealed who murdered the males Rappers. So "The Media" covered their murder. Still don't know until this "DAY" which And this coming March 9th 2014 will be seventeen years Notorious B.I.G. Will WE LOVE YOU, B.I.G. POPPA. Rest In Peace! R * I * P ...
