MR. HARPER'S NEW BOOK: Letters  
to an incarcerated Brother.

MR. HARPER activism is so inspiring to  
me - personally.

I have implanted in my vision a fabulous  
verbal encounter with MR. HARPER and  
Elder Harry Belafonte, among others, on a  
DISCUSSION PANEL SHOWN ON C-SPAN -  
several years ago.

MR. HARPER asked Harry where were all the  
Black Fathers regarding so-called broken  
families. Harry shot back: IN  
PRISON!!!

MR. HARPER'S Noble declaration:  
"What's the use of having a platform if

You're not going to use the platform to do something positive with it." p. 48

This Echoes Mr. Jamise Fox! Z's this from Harry Channeling our Ancestors - Calling our Next Generation into Service.

"The book companies told me that my community wouldn't support this book, that people who it's written for are locked up so they can't go to a bookstore. But I said that all of us in our community have been touched by this issue, and it's some-time that all of us should and need to read and will support and then ultimately give to someone who's incarcerated."

Mr. Harper's Publisher's Anachronism approach to Commerce has no spot in this 21st Century New Global World Order Economy. Last December 2013, Rev. Jesse L. Jackson, Sr. told

Arensio Hall; Private Industry Made \$2.5 Billion Off Prisoners' Phone Calls.

PRISON INDUSTRIAL COMPLEX (PRIVATE PRISONS IS REPORTED LISTED ON WALL STREET]. ECONOMY) ...

Here in Wisconsin the Department of Corrections (WDOC) has contracted out to Private Industry; The Canteen store and Personal Property items (e.g. T.V.; Radio, etc.] with two Private Companies, i.e., WNN, J.L. Marcus and Union-Supplydirect.com ...

There is money to be made!
