

PHIL ROBERTSON

DUCK DYNASTY  
PC OR NOT PC!!

AFTER Tremendous Support for his Right to be Wrong, MR ROBERTSON was REIN-  
STATED, by his A&E cable NETWORK, to his  
Rich cash cow Show.

This is a Capitalist Nation - YOU KNOW-  
FOLKS!!!

OUR Gay Brothers and Sisters, and their  
Support Team, having usurped the 1960's  
Black Civil Rights Movement as a shield  
[which is actually a DOUBLE SHARP EDGED  
SWORD, which slashes both ways!] are  
Tragically repeating that grand Movement-  
s Fatal mistakes in trying to Alter  
Peoples inalienable Rights to their  
OWN FREE MIND AND SPEECH; Rather  
than RATHER FOCUSING like a LASER  
ON MAL EN SE ACTS AND LAWS.

INSTEAD, with misguided haughty  
zeal, They are rushing head first

1 OF 2

INTO A WHIRLWIND OF MASSIVE BACKLASH!

They're creating cultural, religious,  
PC and PD museum fights - Where  
there is nothing to fight for!!!

STOP NOW IN THE NAME OF ONE  
LOVE!!!
