I'm grieving the fact that Classification MR Mahoney wrote me a DR #213-140287 a 9-14 mail violation under 33-210.101(9) if the Ad was up prior to the rule being implemented, the inmate is to first be given a chance to remove the Ad. The ad that's in question, at WWW.ANGELFIRE.COM is 15 years old. The front page shows that I was 31 years old when I put that up. I turn 46 next month. The crosses was something I made in the 1990s when we had hobby craft to make them. We haven't had those hobby craft items since the FDOC stopped them in late 99 early 2000 at which time we were permitted to sell hobby craft. 33-210.101(9) was

The website was not removed as you say you requested therefore your grievance is denied. You also have several other (Between the Bars, Blacks page) there are so many pages of things & numerous things lack of having friend & money for attorneys.

note: This response is bogus, and the DR. had nothing to do with between the bars. DR#213-140287. doesn't even mention BTB.

[The following pertains to informal grievances only:  
Based on the above information, your grievance is denied. (Returned, Denied, or Approved). If your informal grievance is denied, you have the right to submit a formal grievance in accordance with Chapter 33-103.006, F.A.C.]

Continuation  
 OF Grievance 3-14-057  
 Dated March 10, 2014

not put into effect until 2003. Further more I received a D.R. #213-052887 in 2005 for a penpal ad that had been up since 99 or 2000. At which time I wrote —

www.Friendsbeyondthewalls.com  
 www.survivingthesystem.com  
 ccadp.org/ronaldclark.htm  
 prisonpenpals.org  
 www.cyberspace-inmates.com  
 www.AngelFire.com

And gave those letters to either Sgt. Oventrop or Sgt. Sallie who mailed them requesting these sites be shut down. I can't control anything beyond that. I complied with the rules set forth in 33-210.101(9) removing or requesting to have removed all websites where I was requesting pen-pals. So I'm calling for this D.R. 213-140287 to be dismissed. For Sgt. Oventrop and Sgt. Sallie will verify they mailed these letters in 2005, 2006. And it's clear AngelFire.com is a 15 year old ad, by the photos, art work, and my listed age of 31 years old with my birthday listed at April 20, 1968. Thank you for your time and hopefully your help.

note to Friends I'm filing the Formal Grievance on March 10, 2014. because the response is bogus. No D.R. should have been written since I had attempted to have the Penpal web sites removed over 8 years ago. And I can't control whether a web site is taken down, or sitting with out owner or operator.
