KANGAROO COURT!!

Friday March 7, 2014 went down this morning and participated in UCA's redneck Kangaroo Court. Nothing's changed with that. In fact the KF that was in there was one of the Sgt's, back in 2012, that helped then, warden B.V. Reddish, set me up with a bogus DR, so between having him, and a Classification Officer hearing these DRs I knew I had no chance whatsoever.

I got 30 days for the Fighting DR, but it really wasn't a fight. The inmate came on the recreation yard and can be seen coming straight for me. He's swinging I'm just trying to grab him, and stop him. He landed some nice punches, one behind the left ear that gave me a concussion. I bit him to prevent a choke hold, and at the end I threw one punch they said, your into a fight and it's over before you realize it.

The bottom line is, this inmate and I was suppose to be on special Review. Had Classification done their job, this incident would have never taken place. Classification is the sole reason this fight happened. But, they want to put it on me. Not only are they saying, we will place inmates on the rec yard with you, who we know your going to have a problem with, and if you try to defend yourself then, were going to lock you up. This isn't the Florida Dept of Corrections, nooooo, this is the Florida Dept of stupidity!!

Classification knew, an hour after this fight took place, on Friday 7:55am, that there (SR) that should place back in 2006- they made a manner they

another bogus DR. For the WWW ANGEL Fire . com
website. That's 15 years old, placed up in 1999 when
I was 31 years old. This was one of 7 websites that
I asked to have removed in 2006. And the rule
Chapter 33-210.101(9) states and I quote lines 19-21
"No inmate shall be subject to discipline if the ad
is not removed subsequent to submission of the
written request." Can't tell them that. That Lt.
and classification officer didn't want to hear that.
I knew there was no need to go out there, and
participate in their perverted, irregular procedures,
known as the Red neck Kangaroo Court. My only
chance now, is my appeal to Warden Diane Andrews
or my mother contacting a senator, in the Florida
Senate for help. Which she had to do last year.
Oh well... it is what it is, what more can I say.

God bless you.

In Peace & Love
