Greetings! I hope my reply finds you doing well and having a wonderful day. I received your reply today and it was great to hear from you. Things are not going well. I got put into a position where I was jumped on, on the rec yard, and since it was due to classification's neglect of their job. I hope you can post urgent I need your help, and maybe you could even send an e-mail to the warden for me. I need all the help I can get. Well that's all for now. Please take care.

God bless you.

In peace + love

Jonnie
