

Greetings!

3-12-14

This is a note to give you all my new address, so you can place it on my pg. <http://betweenthebars.org/blogs/5623/> as well as to ask can I change the letter on my page and post another one? Also, how many times can I do this, because I write essays that appear in other periodicals and newsletters, and I'd like to be able to update my ~~web~~ webpage at least once a month, and leave my prison address in case someone would like to correspond with me. please! write me back when you have the time and explain to me if this is possible. I thank you all for the opportunity to work with you all.

In solidarity
